Recreation Class Letter

We are so excited to kick off the 2023-24 dance season! We are so excited to welcome you or welcome you back! This year's bundle dance package includes the lessons, costumes, recital download and Tee-shirt. We still have the 4-payment option where the payments are September, November, February and April. There is still a \$25 annual registration fee, but we must charge that separately. New for this year, we are charging for costumes up front.

This year we are continuing the exciting idea for the recreation dancers, called U-Pick. We are offering recreation classes for each style in 30-minute classes, then U-Pick the classes your dancer is interested in. This gives you the freedom of picking the techniques your child is interested in learning instead of being told you must take Tap and Ballet or Tap and Jazz, what if your dancer is really interested in Lyrical and Hip-Hop? Now U-Pick! Recreation classes will be offered on Monday's and Tuesday's, classes longer than 30 minutes are not part of U-Pick. Our schedule is posted online at thedancedepartment.com, check it out! Here are the price breakdowns for this year:
