## Recreation Class Letter

---

We are so excited to kick off the 2019-20 dance season! We are so excited to welcome you or welcome you back! Last season we implemented a new bundle pricing system for the recreational classes, which proved to be a huge success. We will carry that program forward to this dance season. This year's bundle includes the lessons, costumes, recital DVD and Tee-shirt. We still offer a pay in full discount, if you do not pay in full, we still have the 4-payment option where the payments are September, November, February and April. There is still a \$20 annual registration fee, but we must charge that separately.

New for this year we are implementing another new exciting idea for the recreation dancers, because you spoke, and we listened, it's called U-Pick. We are offering recreation classes for each style in 30-minute classes, then U-Pick the classes your dancer is interested in. This gives you the freedom of picking the techniques your child is interested in learning instead of being told you must take Tap and Ballet or Tap and Jazz, what if your dancer is really interested in Lyrical and Hip-Hop? Now U-Pick! Recreation classes will be offered on Monday's and Saturdays, except for some outlying classes like Intermediate Acro, Jazzy Unicorn and Ballet 1-3. Our schedule is already posted online at [thedancedepartment.com](http://thedancedepartment.com), check it out! Here are the price breakdowns for this year:
